

SPARK Schools Admission Policy

Admission Policy

1 Admission and enrolment

- 1.1 This admission policy as adopted by the school from time to time, has been written in accordance with section 29 of the South African Schools Act 84 of 1996 and the National Education Policy Act No. 27 of 1996.
- 1.2 The admission and enrolment of scholars to the school is at the discretion of the principal who may refuse a scholar's admission to the school without giving reasons therefore or may grant temporary or provisional enrolment to the school subject to such further terms and conditions which the principal may impose. The principal may, at his/her sole discretion, cancel enrolment in accordance with the school's Parent Enrolment Agreement, the School Rules/Code of Conduct or Policies.
- 1.3 For the sake of clarity, this admission policy, together with the Parent Enrolment Agreement, regulates the enrolment and admission of the scholar to the School, the relationship between the school, the scholar, yourself and/or the payer once the scholar is admitted and enrolled with the school.
- 1.4 You will only receive the Parent Enrolment Agreement if the scholar's online application, as completed on our website, has been accepted. The school therefore agrees to enroll the scholar, for the duration of their school education, subject to the terms and conditions of the Parent Enrolment Agreement, and subject to your agreement hereto.
- 1.5 The scholar is only considered to be formally enrolled at the school when the Application Fee; the non-refundable fee payable by the parent/s upon online application to the school, as set out in the Schedule of Fees and relates to certain administrative costs involved in applying for a position for a student at the school, has been paid, this Agreement has been signed and the

Application Fee has been paid.

- 1.6 You acknowledge that it is a privilege for the scholar to attend an independent school such as SPARK, and not a right.
- 1.7 As such you agree that you and/or the Payer; the person or entity who undertakes to be responsible for the payment of the scholar's fees, as the case may be, are responsible for the full payment of all fees as set out above and in the Schedule of Fees; which sets out all fees payable, annexed hereto.
- 1.8 In light of the above you agree and acknowledge that failure to pay Fees will result in termination of your agreement with the school and the scholar's enrolment at the school.
